

*2003 Belgian Sheepdog Club
Of America National Specialty*

*Allentown, PA
April 22 - 26, 2003*

Dear Friend,

The Belgian Sheepdog Club of America will be holding their National Specialty at the Days Inn in Allentown, Pennsylvania, April 22 through April 26, 2003. Exhibitors will be attending from all areas of the United States and Canada. These people may become interested in your products through your donations and advertisements. For each exhibitor (approximately 350) the club will offer a tote bag filled with items from our local area donated from various clubs, companies, organizations, etc. For many companies this can be a tax-deductible amount.

We are asking companies for help in gathering these items. If you could donate anything, even just one item that we could offer at our raffle, it would be greatly appreciated. Please contact Sherry Hanley (Sherrykh@webtv.net) or Mike Eremus (MikeEremus@AOL.com) to make donations.

Although the specialty is not scheduled until next year, we need to begin gathering things immediately. This is a huge undertaking for a few people so we would like to have our donated items as soon as possible. This will enable us to work on the many other things that need to be done.

Thank you from all of us on the Show Committee.

Respectfully,

Sherry Hanley
Mike Eremus
